Contents

- Introduction
- Poultry Producers Association (PPA)
- The Aims of the PPA
- PPA Constitution Amendments
- Requirements to Qualify as a Member of the PPA
- Benefits of Joining the PPA

Introduction

- In general, “an **Association** is a group of persons banded together for a specific **purpose.**” A sense of coordination is at the heart of the **Association** profession. People voluntarily join **Associations** because they want to work together on a common cause or interest.

Poultry Producers Association (PPA)

- Voluntary Association.
- Affiliated to the NAU.
- Administration services rendered by the NAU.
- Hosted (office space) by the NAU.

The Aims of the Poultry Producers Association:

- To protect and promote the interest of producers.
- To promote cooperation between producers.
- Exercise efficient production and orderly marketing of relevant products and negotiate benefits for the producers.
- Strive to accomplish the best possible connection, between producers, processors and promoters of the product.
- To convey the coordinated views of the industry to authorities and co-operate with authorities to negotiate solutions to problems.
- To interact with all national and international stakeholders to benefit the commodity.

PPA Constitution Amendment

- The Namibian Agricultural Union, has amended its Poultry Producers Association Constitution:
 - ❑ To foster inclusivity of all producers in the country , ranging from backyard to the largest in the industry.
 - ❑ Aims to have all producers access the industry and have active participation in the market.

Requirements to Qualify as a Member of the PPA

- Own/lease agricultural land
- Farm part time or full time
- Producing the product concerned for marketing sustainably;
- Fully paid required membership fee (***N\$500 Vat inclusive***).

Benefits of Joining the PPA

- ❑ The Association serves as mouthpiece for producers to various role players in the industry.
- ❑ Trade Policy : local, regional and international and industry protection.
- ❑ Access to up-to-date industry information and resources.

Benefits

- Continuing education e.g Info. Day.
- Food safety issues and Veterinary matters:
liaison with DVS.
- Mentoring programs.
- Networking opportunities.
- New perspective.
